

What is included in the Maternity & Baby's First Trimester session:

- Relaxed and fun session at home. The Baby session must happen in the first 3 months after their debut in the outside world.
- Lifestyle focused images, we won't pose your baby and we will schedule our session according to their feeding and sleeping schedule.
- 25 + 50 edited, high-resolution images.
- More photos available if 75 just aren't enough.
- 45-minute pre-session meeting (video call or in-person) so I can get to know you, learn about your baby's schedule, your style, your preferences, and understand your expectations.
- 1-hour Maternity session & 1 ½ -hour baby session.

Investment: \$589

Each additional photo: \$10
